Special Programs  
Administration**

400 Seventh Street, S.W.  
Washington, D.C. 20590

JAN 31 1997

Mr. Michael E. Wangler  
Office of Transportation, Emergency  
Management and Analytical Services (EM-76)  
U.S. Department of Energy  
Washington, DC 20585

Dear Mr. Wangler:

As your December 12, 1996, letter requested, the U.S. Department of Energy has been registered as a user of IAEA Certificate of Competent Authority USA/0485/B(U)F for the AECL Model 4H package. This certificate, which revalidates the Canadian Certificate of Approval No. CDN/4212/B(U)F, Revision 6, authorizes the transport of the package from the point of entry to final destination within the United States, from point of origin in the United States to point of exit, and through the United States.

A copy of the certificate is enclosed. All future revisions of the certificate will be forwarded to the U.S. Department of Energy at the above address.

Sincerely,

Richard W. Boyle, Chief  
Radioactive Materials Branch  
Office of Hazardous Materials  
Technology

Enclosure
